

Learning in KS1 this year:

Gingerbread Man class teacher
 Red Riding Hood class teacher

Ms Mehbuba – Jack Class

Mr Occhio Class Teacher

Ms S. Begum, Ms Aljilji,

Mr. Sturgess

Ms

English

Children will read Grandad's Island, The Goose that Laid the Golden Eggs and Mrs Noah's Pockets. They will develop prediction, retrieval, inference, sequencing and summarising skills. In writing, children will create character descriptions, explore poetry and vocabulary, and retell a narrative using descriptive language.

Maths

Children will develop place-value knowledge by counting in 2s, 3s, 5s and 10s, recognising tens and ones, comparing and ordering numbers, and reading and writing numbers to 100. They will also develop addition and subtraction skills and recall number facts.

Science

Children will learn about living things and their habitats. They will compare living, dead and never-alive things, explore local habitats and microhabitats, identify plants and animals, and construct simple food chains.

PSHE

Children will learn how to make safe choices, recognise risky situations and identify trusted adults. They will explore fire safety and everyday hazards, practise tying shoelaces, and discuss manners, inclusion, responsibility and respect.

History

Children will learn about the Great Fire of London, how it began, why it spread and its impact. They will use sources such as artefacts, maps and diary entries to investigate the event.

Art

Children will explore textiles and investigate weaving, dip-dye, wax resist techniques, then combine fabrics and materials to create patterned mix.

PE

Children will develop their hitting and running skills. They will practise throwing, feeding and bowling a ball, fielding and making tactical choices in games.

Computing

Children will explore digital painting, lines, shapes, paintbrushes and colours to create pictures, including artwork and compare computer art with print.

Music

Children will sing and move together to develop their understanding of steady beat and tempo. They will practise singing and combine these skills in a performance.

Spanish

Children will revise numbers to 20 and months. They will learn numbers to 100, date and their birthday, and how to tell the hour.
