

Homework

Times Tables Rock Stars- Children should practise for at least 30 minutes every week.

Reading — Children need to read every day, record this in their homework diaries. They can also access Bugclub for additional reading.

Spellings — Children will need to begin to learn the spellings from the spelling list. These will be tested in class.

Pick N Mix — Try some of the activities linked to the Autumn curriculum.

Knowledge Organisers — Children should begin to learn the facts for the Autumn term topics.

Class Assemblies

Rumplestiltskin class:
Thursday 22nd October (9am)

September (3pm)

Let's aim for...

School starts at 8.55.
Let's aim to be on time
every day this term
with 100% attendance!

Autumn Term 2026

Welcome to Year 3!

PE

PE is on Mondays. Don't forget to come dressed in your PE kits!

Uniform

Please wear your school uniform every day and make sure all items are named.

Year 3 Curriculum Information

Teaching Staff:

Mr Islam
Ms Bano

Support Staff:

Mrs Pullen
Ms Warren
Ms Rob
Ms Mannan
Ms Begum
Ms Hilowole

Phase Leader:

Miss Kho

SENCO:

Ms Rogers

Maths

We will recap place value and learn the value of digits in numbers up to 1000. Children will compare and order numbers up to 1000 and learn to write these numbers in digits and words. Children will learn mental and written methods of addition and subtraction, working with three digit numbers before learning different methods of multiplication and division. Children will learn to use different types of graph and to find the area and perimeter of 2D shapes.

English

In Autumn 1, we will be studying Greta and the Giants. We will explore the narrative alongside the book's topic on climate change.
In Autumn 2, we will be reading Leon and the Place Between and explore the impact illustration has on the narrative of a story.

History and Geography

We'll be learning how historians work, by investigating people's lives during the Stone, Bronze and Iron ages. We will study changes in Britain through these eras. In Geography, we'll be learning about natural disasters and discussing the effects of volcanoes and earthquakes.

Music

Children will learn to add percussive layers to build to texture in songs. They will chant and add simple instrumental parts to their music.

RE

During Autumn term, we will be looking at different religions and investigating the question, 'What do different people believe about God?'

PE

In Autumn 1, we will be learning dance on Mondays. This will include attempting short pieces of improvised dance as well as performing movements with increased control. In Autumn 2, we will be learning football with Mr Viegas on Tuesdays.

Art and DT

We will be collecting information, sketches and resources as well as replicate some of the techniques used by notable artists. In addition, we will use sketches and prototypes to express those ideas alongside the use of paper, card and other DT tools.

Computing

In Autumn term we will be learning how to stay safe online by using safety features of websites and by protecting personal information while online. We will also sequences in programming, learn about algorithms and assign variables.
