

Homework

Paper homework – Children must complete their weekly paper Maths and grammar homework.

Times Tables Rock Stars – Children should practise for at least 30 minutes every week.

Spellings – Children will need to begin to learn the spellings from the spelling list. These will be tested in class.

Pick N Mix – Try some of the activities linked to the Autumn curriculum.

Knowledge organisers – Children should begin to learn the facts for the Autumn term topics and these can be found in the folders from Year 1 up to their current year group.

PE

PE is on Monday.
Don't forget your PE kit!

Uniform

Please wear your school uniform every day and make sure all items are named.

Class Assemblies

Big Bad Wolf Class: Thursday 17th September
Stonecutter Class: Thursday 3rd December

Year 6 Welcome Meeting

Tuesday 8th September 2026 @ 9.00am

Let's aim for...

Classroom doors open at
8.45.

Let's aim to be on time
every day this term.

**BE IN THE CLASS AND DON'T
BE LAST!**

Primary School
Learning Together

Autumn

Welcome back to
a new start in
Year 6.

We have so much
planned for you...

Staff

Teaching staff:

Ms. McEwan and Ms. Hassan

Support staff:

Ms. Chowdhury, Ms. Hussain and Ms. Miah

Phase Leader:

Ms. Elliott

SENDCo:

Ms. Rogers

Year 6 Residential:

Monday 12th October—
Friday 16th October

English

Pupils will be writing autobiographies, speeches, poems, explanatory texts and narratives this term. They will read Rooftoppers and Pig Heart Boy, as well as extracts from a range of genres to support their reading skills in preparation for SATs and beyond. Children will also revisit previous grammar learning and build on this with new material.

Maths

The children will be learning formal written methods for calculation for the 4 main operations (addition, subtraction, multiplication and division). They will also be developing their understanding of place value and using this to solve problems. Children will continue to work on their arithmetic daily and work on effective problem solving.

History and Geography

Children will learn about earthquakes, volcanoes and mountains in geography. They will learn about the structure of the earth and how the land masses are formed and changed. In History the children will be learning about how WW2 affected our local area.

Science

In Science pupils will learn about electricity, building on knowledge that they learnt in Year 4 and Year 5. They will also learn about the human circulatory system, how to look after our hearts and how we maintain fitness.

RE and PSHE

In RE, the children will be learning about how different religions handle times of difficulty or struggle and how religion may help guide people through those times.

In PSHE – pupils will learn about 'Being me in My World' and understand that our actions affect other people locally and globally. Children will also continue to work on embedding the Rights Respecting agenda in all our work.

PE

This half term the children will be developing their developing their gymnastic skills; during the second half term, the children will be learning skills in invasion games.

P.E. will take place every Monday.

Art and DT

Children will involve designing and creating mechanical systems such as Cams. Firstly they will develop ideas before moving onto designing and finally making and evaluating. They will also be exploring painting and collage.

Computing

In Computing children will examine technology around them. They will evaluate the appropriateness of digital devices, internet services and application software to achieve given goals.

Music

Children will use song to learn about harmony as well as beginning to compose their own songs using simple melodic structures.
