

Year 1 Homework Pick and Mix

Summer

Get Reading

Log onto Curriculum Visions and use it to find out information about our science topic, plants. Record any facts you discover to share with your class.

Get Writing

Write a fact file about an astronaut. Use your knowledge organiser to help you. Write about how old they are, why we remember them and which organisation they belonged to.

Get Creative

Create a printed picture using flowers.

Get Mathematical

Get creative with your 2s, 5s and 10s times tables! What arts and crafts can you produce with them?

Get Exploring

Visit your local park, with a grown up, and identify the different plants and trees that you can see. Can you sort and classify them?

Get Building

Build your own space rocket!

Get Cooking

Can you create some healthy Summer-inspired snacks?

Rights Respecting

Every child has the right to think and believe what they choose and also to practise their religion, as long as they are not stopping other people from enjoying their rights.

Can you create a poster or a leaflet to promote this right?

Dear Parents/ Carers,

Here are your child's home learning activities for this term. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We will always be interested to see and hear about the activities you have done at home! the pick and mix exhibition will be held on **Wednesday 8th July 2026**.
