

## Year 4 Homework Pick and Mix

Spring 2024

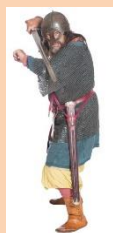

### Get Reading

In March, we are celebrating World Book Day.  
Can you get caught reading anywhere unusual? It could be up a tree, at the farm or in a shop! Show your love of reading and take your book everywhere with you.

### Get Speaking

Discuss the following question, 'Were the Vikings all vicious and blood-thirsty warriors'?

### Get Creative

Design a Viking settlement using materials from home and recycled resources. What did the homes look like? How did settlers create their communities?

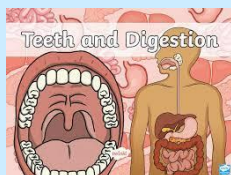

### Get Mathematical

Study your KIRF booklet. Recap all of the facts from Years 1-4. Can you recite all of your times tables automatically?

### Get Scientific

Draw a poster, a diagram or write a report to explain the differences in human and different animals' teeth and digestion.

### Get Healthy

Create a poster or a leaflet to explain how we can stay healthy through exercise, mindfulness and a balanced diet.

### Pupil Passports

Choose an activity from your Pupil Passport and record what you did and how you did it.  
You can present it as a diary entry, a recount, with photographs or any other way you choose!

### Rights Respecting

Our focus right is Article 31 – you have the right to play and relax.  
Create a poster or presentation explaining why this right is important.  
Alternatively, write a letter to Mrs Flanagan persuading her to protect this right in different ways.

### **Dear Parent/Carer,**

Here are your child's home learning activities for this term. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We will always be interested to see and hear what you home learning activities you have done so make sure you share your work with the rest of the class! **Year 4 exhibition: Wednesday 27<sup>th</sup> March.**
